## ABOUT US

Founded in 1982, MANEK METAL INDUSTRIES, is a leading Manufacturer & Exporter of Stainless Steel utensils /cutlerys House ware & Hotel / Restaurant Ware viz. S.Steel Kitchen ware, Aluminum, Brass, Table ware, Serving ware, Bar ware, etc. over from years exporting to Europe, Middle East, and many more countries.

We have developed ourselves at the rate market suggested from time to time over through dedication and hard work to maintain quality and standard.

Quality, innovation, flexibility and excellent service are ever-present in our activities. The increasingly demanding requirements of our customer have been our guide and the customers' satisfaction, irrefutable proof that we were on the right track.

## MANAGEMENT & STAFF

The company is managed well experienced and technical professional under the able leadership of Senior Partner Mr. Ramesh Kotadia, who has 30 Years of experience in production, administration, Finance & Marketing.

With strong emphasis on quality and consistency the company has engaged qualified engineers in Production, Execution, Purchase, Marketing and R & D.

All company workers have under go regular training programs to give best results in production.

## VISION & MISSION

"All through ingenious strategy, valiant entrepreneurship, advanced technology, innovative products, insightful marketing and inspired thinking about the future we delight and deliver beyond expectation."

A breakdown of the statement above reveals, where the end is articulated at the beginning with the means linked to it. This segment not only underlines the importance of the ultimate goal - customer satisfaction ('delight') and ultimate target - *the customer*.

## Our Mission

To be a complete solution provider to customers, partnering with them in the development of high quality, innovative and cost-effective packaging solutions.

We are committed to maintaining the highest standards of quality and continuously invest in the latest technology at all levels of development, from the pre-press stage to the final execution.

We are focused on consistently delivering products of international quality for our clients. The values at MMI (Manek Metal Industries) reflect our commitment to following fair business practices with complete honesty and integrity.

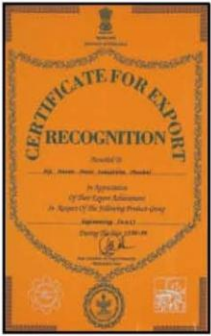

## Achievements

Manek Metal Industries has achieved a position in our customers' heart.

Besides this we have been awarded with,

- The highest export award by the "All India Stainless Steel Industries Association".
- Have been received the "Regional Certificate of Export Excellence" from the Engineering Export Promotion Council for the two consecutive year 2001-02 & 2002-03
- We are enjoying the "Export House Status"
